

A journey of trust.

WHO WE ARE

Letting Qualitative and Quantitative analysis drive the underwriting narrative.

With a service and client-first mindset, Satinwood supports specialist coverholders in writing binding authority business. We understand that underwriting is always evolving, so by combining coverholder expertise, underwriter experience and a first class claims service with bespoke analytics and an innovative view of risk; we believe we can deliver smarter and performance enhancing solutions alongside our partners.

What we offer.

By proactively engaging with our clients, our aim is to create long term partnerships with a select number of managing general agents (MGA's) who are experts in their field. We know this takes time and so want to build a collaborative and meaningful relationship by regular face to face contact, provide our clients with ongoing portfolio assessments as well as expert insight and analytics.

Commercial & Residential

With a focus on the all risks and single peril SME commercial, residential, and dwelling market we write a balanced portfolio of risks across both the US and Canada.

Flood & Earthquake

We offer capacity for monoline earthquake and both primary and excess flood risk solutions for residential and commercial clients throughout North America.

Financial Institutions

We have the ability to write lender placed, REO (real estate owned), property investor and mortgage impairment portfolios.

Deductible Buyback

Deductible buyback coverage is offered across a range of occupancies and geographies on a single peril or all risks basis using a standardised follow form.
